An award-winning filmmaker and editor, I pride myself on my keen eye for details, and genuine nature— making for projects both visually impressive, and refreshingly human. A seamless addition to any crew, I have a wide skill set and a unique point of view I cannot help but to bring to the table.

Experience

AUGUST 2024 – PRESENT

Freelance Video Editor | GO Agency

Edits socials and cutdowns of footage for various clients including the US Open, Boeing, and American Eagle Financial Credit Union. Editing duties include mixing audio, adding closed captioning, cutting down existing spots, and motion graphics.

MAY 2023 – PRESENT

Videographer/Video Editor | Giovatto Agency

Edits video and animates motion graphics for broadcast, streaming, and social platforms. Edits sound design/audio mixing for video and radio. Uploads and organizes media for internal and external review. Operates cameras, audio, and lighting equipment at on-site shoots. Manages production budgets and oversees communication with talent.

JUNE 2022 – MAY 2023

Junior Creative Producer | Balanced Digital Fitness

Produced and directed multiple multi-cam live classes per week in-studio. Operated studio lights, audio, cameras, and live stream equipment. Designed and edited various promotional materials for website, email, print mail, and social media. Assisted in documentation of processes, and best practices. Worked directly with on-camera talent.

JANUARY 2022 – JULY 2022

Post Production Assistant | Misha Calvert

Graphic designer for podcast, social media, and Emmy pitch decks. Edited footage and trailers for award-winning short films and series. Animated various promotional motion graphics reaching audiences of over 10k.

OCTOBER 2020 – DECEMBER 2020

Director and Lead Animator | “When Harry Met Frankie”

Led a team of animators, writers, and voice actors to create an animated promo for local Brooklyn animal shelter.
